

CERTIFICATE of ANALYSIS

Berlin, on December 12th, 2023

General Information

| | |
|---------------|----------------------|
| Product Name: | Longevity TMG Betain |
| Batch Number: | 23092266 |
| Best before: | 30.10.2026 |
| Smell | Odorless |
| Appearance | White |

| | Result | Specification | Methode |
|------------------------------|----------|------------------------|-------------------------------|
| Analytical Parameters | | | |
| Identification | Conforms | Positive | Visual |
| Purity | >97 % | Min. 95.0 % | SOP-MZ-010 2022-11, 1H-NMR |
| Drying loss | 0.77 % | ≤ 2.00 % (when packed) | Oven methode |

Residue Analysis

| | | |
|--------------|----------|---------------|
| Lead (Pb) | Conforms | ≤ 0.05 mg/kg |
| Arsenic (As) | Conforms | ≤ 0.01mg/kg |
| Cadmium (Cd) | Conforms | ≤ 0.005 mg/kg |
| Mercury (Hg) | Conforms | ≤ 0.01 mg/kg |

Product Status

| | |
|-------------|--|
| Conclusion: | Sample Qualified. |
| Storage: | Store sealed at room temperature, protected from moisture and infestation. |
| Shelf Life: | Minium 36 months under the conditions above. |

We certify the true copy of the manufacturer's original specification. We have verified the results by an independent laboratory. Still, the user of the goods is obliged to carry out their own checks upon receipt of the goods.
